

Tolerances of product dimensions of Ruukki rainscreen panels

Table 1

Tolerances of product dimensions of rainscreen panels (see picture 1)

panel/ width	± 1
panel/ height	± 1
diagonal dimension	± 2
panel depth	± 1

Picture 1

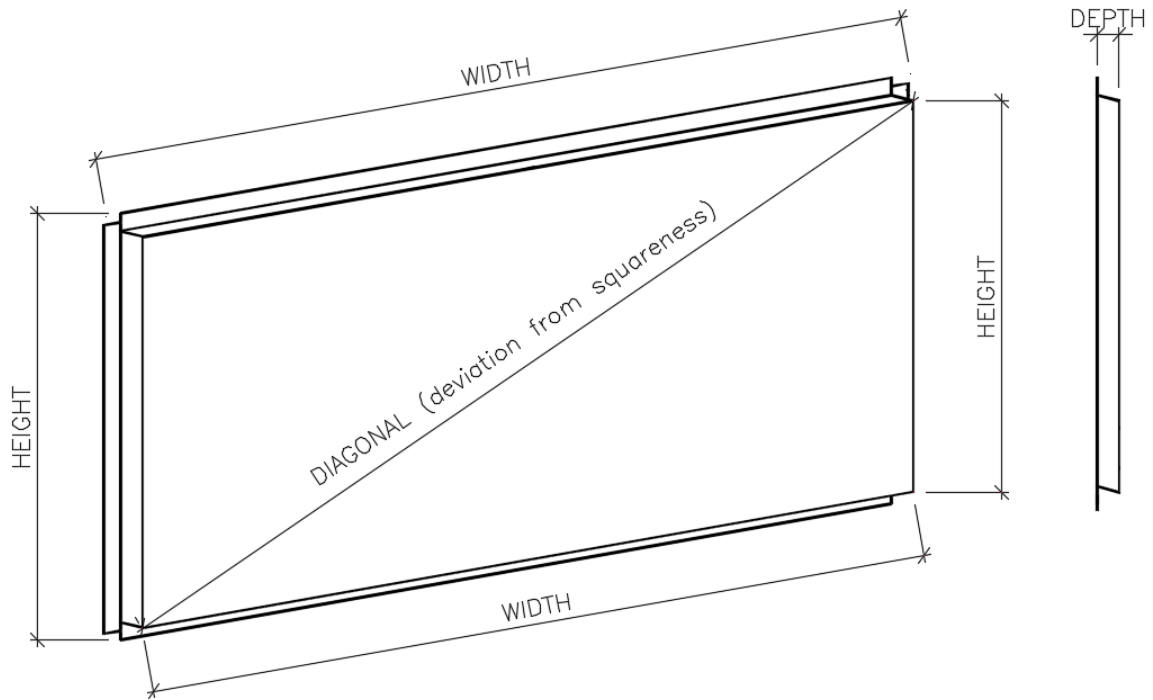

Table 2

Flatness tolerances of rainscreen panels (mm). A= panel width, B= panel height and r= radius (picture 2)

Flatness tolerances of panel	A/300; B/300
Depth of local dent (d)	r/30

Picture 2
