

Inspecta Sertifiointi Oy has granted a product certificate to

Ruukki Construction Oy
Building Systems
Installation Services
Panuntie 11, FI-00620 Helsinki

to certify that Inspecta Sertifiointi Oy has verified that the following products of the company and their manufacturing quality assurance fulfil the requirements set in the requirement documents
EN 1090-2:2008+A1:2011, EN 1090-1:2009+A1:2011 clause 6.3

Installation of structural steel components and kits
Execution classes EXC1, EXC2 and EXC3

The company is entitled to use the certification mark on products fulfilling the requirements.
The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2015-06-11

Tomi Kasurinen, Managing Director

The certificate is based on initial inspection and type testing. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met.
The validity of the certificate can be checked on the Internet at www.inspecta.fi
